RHW2-1 comes standard w/ one 11qt round pan and hinged lid.

RHW2-2
RHW2-2 comes standard w/ two 11qt round pans and hinged lids.

MULTIPURPOSE RHW2

RHW2-1 RHW2-2 RHW2-1B

BOIL STEAM WARM

RHW2-1B （Built-In）
RHW2-1B (Built-in) with a separate control panel

Features

The new multipurpose HeatMax Heated Well from Hatco Corporation offers the flexibility of food warmer, soup kettle, Bain-Marie heater, steamer and pasta cooker all in one! With a range of temperature settings, HeatMax can boil pasta and soup noodles, steam dim sum, keep food warm, hold soups, curry, gravies, and toppings at safe serving temperatures. Heat is evenly distributed throughout the unit to hold foods at desired temperatures, and the insulated, stainless steel design offers easy maintenance and durable performance.

Features

- Upgraded electronic thermostatic control, set temperature range from 40-95°C in Hold mode.
- Default 100°C in Heat mode.
- Countdown timer, set time from 1-360 minutes in Hold mode, 1-120 minutes in Heat mode.
- Toggle from Heat to Hold mode automatically upon countdown of timer in Heat mode.
- Actual temperature display.
- Audible alert in case of a dry pan.
- Special steam plate accessory for fast steaming and rethermalizing.
- Available in single or dual 10-liters (11-quarts) models.
- Available in free-standing or built-in models.
